

The image shows the retail packaging for an HP Ink 963 Cyan ink cartridge. The box is primarily black with a blue top section. At the top left is the HP logo. To its right is a QR code and the text "Cartridge". Below the HP logo, the text "Original HP Ink" is printed in white, followed by "Vibrant. Precise. Reliable." in a smaller font. The main body of the box features a large white area with the number "963" in bold black font. Below the number is a small cyan circle icon, followed by the word "Cyan" in two columns. The bottom half of the box has a decorative pattern of stylized green grass and several vibrant orange butterflies. On the left side of the box, there is vertical text indicating it's a "Genuine HP product" and "Recycled paper". On the right side, there is more vertical text about the ink's performance, mentioning "Up to 100 pages per cartridge" and "Print resolution up to 1200 dpi".
