

## TISKALNIK LASERSKI HP LASERJET PRO M203DW A4/DUPLEX/WI-FI

**SKU:** G3Q47A

**Kategorije:** [Laserski tiskalniki](#), [Tiskalniki](#)

### OPIS IZDELKA

Funkcije: tiskanje

Format in tehnologija: A4, laserska

Ločljivost tiskanja: 1200 x 1200 dpi

Hitrost tiskanja: do 28 strani/minuto

Povezava: Hi-Speed USB 2.0 , mrežna, brezžična

Ostalo: tiskanje z USB-ja,

garancija: 1 leto

.....  
Priporočeno št. strani na mesec: 200 do 2.500 strani

Maksimalni mesečni obrat : 30.000 strani

obojestransko tiskanje: da

izpis prve strani: 6.7 sek

predal: 1x 250 listov, 1x10 listov priority,

spomin: 256 MB

procesor: 800 MHz

Prikaz : LED Control Panel

Jeziki tiskanja:

PCL5c, PCL6, PS, PCLm, PDF, URF, PWG

HP ePrint; Wi-Fi Direct Printing; AirPrint 1.5 with media presence sensor;

Google Cloud Print 2.0, združljivo z Mac-om.

Dimenzije medijev: 76 x 127 to 216 x 356 mm

Teže medijev:  
Tray1: 60 to 163 g/m2

Potrošni material:  
CF230A - HP 30A Black Original LaserJet Toner Cartridge  
CF230X - HP 30X High Yield Black Original LaserJet Toner Cartridge  
CF232A - HP 32A Original LaserJet Imaging Drum  
Opcija dodatna garancija na 3 leta: UG289E

VEČ PODATKOV

Značilnosti

|                              |                          |
|------------------------------|--------------------------|
| Maksimalni obratovalni cikel | 30000 pages per month    |
| Število tiskalnih kartuš     | 1                        |
| Page description languages   | PCL 5c,PCL 6,PDF 1.5,PWG |
| HP segment                   | Home,Home office         |

Tisk

|                                                           |                 |
|-----------------------------------------------------------|-----------------|
| Barvni                                                    | Ne              |
| Tehnologija tiskanja                                      | Laser           |
| Obojestransko tiskanje                                    | DA              |
| Največja ločljivost                                       | 1200 x 1200 DPI |
| Hitrost tiskanja (črno, navadna kakovost, A4 / US letter) | 28 ppm          |
| Čas za prvo stran (črno, normalno)                        | 6.7 s           |

Splošno

|                                 |         |
|---------------------------------|---------|
| Notranji pomnilnik              | 256 MB  |
| Največji notranji pomnilnik     | 256 MB  |
| Vgrajeni procesor               | DA      |
| Frekvenca procesorja            | 800 MHz |
| Sound pressure level (printing) | 53 dB   |
| Sound power level (standby)     | 2.6 dB  |

Input & output capacity

|                      |            |
|----------------------|------------|
| Total input capacity | 260 sheets |
|----------------------|------------|

|                              |                 |
|------------------------------|-----------------|
| Total output capacity        | 150 sheets      |
| Način podajanja papirja      | Predal za papir |
| Največji vhodni zmogljivosti | 260 sheets      |
| Največjo močjo zmogljivosti  | 150 sheets      |

Uporaba papirja

|                                      |                                                                 |
|--------------------------------------|-----------------------------------------------------------------|
| Največja velikost papirja ISO serije | A4                                                              |
| Paper tray media types               | Card stock,Envelopes,Labels,Photo paper,Plain paper,Rough paper |
| ISO A-series velikosti (A0... A9)    | A4,A5,A6                                                        |
| ISO B-serije velikosti (B0... B9)    | B5                                                              |
| Paper tray media weight              | 60 - 163 g/m²                                                   |

Network

|                              |                                             |
|------------------------------|---------------------------------------------|
| Wi-Fi                        | DA                                          |
| Ethernet LAN                 | DA                                          |
| Omrežje pripravljen          | DA                                          |
| Wi-Fi standardi              | 802.11b,802.11g,Wi-Fi 4 (802.11n)           |
| Mobilne tehnologije tiskanja | Apple AirPrint,Google Cloud Print,HP ePrint |

Vmesniki

|                       |                        |
|-----------------------|------------------------|
| Standardnih vmesnikov | RJ-45,USB,Wireless LAN |
| Vhod USB 2.0          | 1                      |

Napajanje

|                                          |             |
|------------------------------------------|-------------|
| Energy Star Certifikat                   | DA          |
| Poraba energije (max)                    | 480 W       |
| Poraba energije (stanje pripravljenosti) | 1.9 W       |
| Poraba energije (PowerSave)              | 0.8 W       |
| Poraba energije (izklopljen)             | 0.5 W       |
| Vhodna napetost                          | 110 - 220 V |
| AC vhodna frekvenca                      | 50/60 Hz    |

Pogoji uporabe

|                                 |              |
|---------------------------------|--------------|
| Delovna temperatura (TT)        | 15 - 32.5 °C |
| Delovna relativna vlažnost (HH) | 30 - 70 %    |

Brand-specific features

|                      |                                                                                                                                                           |
|----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| HP ePrint            | DA                                                                                                                                                        |
| HP Auto-On/Auto-Off  | DA                                                                                                                                                        |
| HP Management tools  | HP Printer Assistant (UDC); HP Utility (Mac); HP Device Toolbox; HP JetAdvantage Security Manager                                                         |
| HP Software provided | HP Software Installer; HP Software Uninstaller (exclude Win8+); HP Device Setup & Software; HP Device Experience Toolkit; HP Connected, Improvement Study |

Pakiranje

|                                     |            |
|-------------------------------------|------------|
| Cartridge(s) included               | DA         |
| Included cartridge capacity (black) | 1000 pages |
| Napajalni kabel vključen            | DA         |
| Priloženi gonilniki                 | DA         |

Oblika

|                      |                |
|----------------------|----------------|
| Namen uporabe        | Poslovni       |
| Barva izdelka        | Bela           |
| Vgrajen zaslon       | DA             |
| Vrsta zaslona        | LED            |
| Blue Angel certified | DA             |
| Skladnost            | EPEAT (Silver) |

Mere in masa

|         |          |
|---------|----------|
| Širina  | 370.5 mm |
| Globina | 223.9 mm |
| Višina  | 407.4 mm |
| Masa    | 6.9 kg   |

Sistemske zahteve

|                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|---------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Podprti operacijski sistemi Win | Windows 10 Education, Windows 10 Education x64, Windows 10 Enterprise, Windows 10 Enterprise x64, Windows 10 Home, Windows 10 Home x64, Windows 7 Professional, Windows 7 Professional x64, Windows 7 Starter, Windows 7 Starter x64, Windows 8 Enterprise, Windows 8 Enterprise x64, Windows 8.1, Windows 8.1 x64, Windows Vista Enterprise, Windows Vista Enterprise x64, Windows Vista Home Basic, Windows Vista Home Premium, Windows XP Professional, Windows XP Professional x64 |
| Podprti operacijski sistemi Mac | Mac OS X 10.1 Puma, Mac OS X 10.10 Yosemite, Mac OS X 10.9 Mavericks                                                                                                                                                                                                                                                                                                                                                                                                                   |

## Pakiranje

|                             |        |
|-----------------------------|--------|
| Širina embalaže             | 438 mm |
| Globina embalaže            | 278 mm |
| Višina embalaže             | 466 mm |
| Btto masa skupaj z embalažo | 9.2 kg |

## Ostale lastnosti

|                 |         |
|-----------------|---------|
| EPEAT skladnost | Srebrna |
|-----------------|---------|
